Our function room

has catered for an extensive variety of events in the past. From celebrations such as birthday parties, Christmas parties, wedding receptions and Christenings to club meetings and funerals, you can be sure that our aim is to fulfil every expectation and cater to all your needs.

Our Barn Bar

offers you a private function room which can hold up to 50 people, guests can always spill into the outside seating area or the heated and sheltered smoking areas. We provide a large, private car park and there is disabled access.

Situated off our

courtyard area the Barn Bar has everything you may need for your event. This includes a private and licensed bar, top-of-the-range music system, karaoke system and large screen television.

We can cater for

any menu requirements and prefer to work with you to build up a menu which is suitable for your occasion and budget rather than have menu templates. Prices can start from as little as £5 per head for a buffet (including room hire); however we can offer everything from your own Carvery to a three course meal with full waitress service.
