We have carefully selected Mike Maloney's as the supplier of most of our fresh meat for our menu. Maloney's is a family run retail and wholesale butchers and bakers that has built its reputation of quality and excellence over the last 25 years. They have only the finest local beef which is grazed on the River Trent in North Nottinghamshire, chicken which has no added water or phosphates, pork which is bred less than a mile from here and lamb from Mill Farm in Oxtan just around the corner.
