About this opportunity

Looking to start your own pub business in a creative, vibrant part of Birmingham? Then the Jewellery Quarter is where you want to be!

Bursting with independent businesses and a thriving community there is a lot of fun and innovative inspiration all around this place.

The Church is a large attractive building, purchased by Everards in 2013 in partnership with Carl Finn of the Soul Food Project. At that time, we investment in a huge refurbishment and added a fabulous roof terrace, making it a standout venue. Since the purchase we have worked in partnership with some great, talented operators, each bringing their own personality and vision to the pub and area.

We are looking for someone who is entrepreneurial, fun, fanatical about food & drink and extremely social-media savvy. The Church needs a new business owner equipped for the pub industry of 2022 and beyond.

This pub is ready for a new chapter, are you?

The Church, 22 Great Hampton Street, Birmingham, B18 6AQ

The community

Birmingham's famous Jewellery Quarter sits on the edge of Birmingham's bustling city centre. This urban village is bursting with energy and steeped in incredible history. It's home to over 700 jewellers and independent retailers, a thriving food and drink scene and is one of the UK's most unique destinations.

The Jewellery Quarter is well served by public transport and Snow Hill Station now has its own entrance in the area. For anyone walking, it is only a 10-15 minute stroll away from the facilities of Birmingham City Centre.
