About this opportunity

Set on the main through road of this busy village, The Nags Head is a popular community local offering a warm welcome to all. It has a great drinks range and a well-established food trade with a menu of good value homemade pub classics.

This is a fantastic opportunity to expand on an already successfully trading business growing the wet trade further by introducing a calendar of events and entertainment to bring the whole community together and give drinkers a reason to stay.

Inside this lovely presented pub is a main bar area offering a great setting to catch up with friends over a pint. It lends itself to be a great place for watching the game with an enticing programme of live sports along with a darts board to keep customers entertained.

There is a more relaxed lounge area ideal for families and friends wanting to catch up over a drink and food. It has a fantastic garden ready for summer trade and perfect for entertainment with its large patio and grass area.
