About this opportunity

The Rose and Crown, is a well loved pub in the heart of Farndon, It's a traditional pub with a contemporary twist, and some really nice modern touches (moose head above fireplace, copper pans on wall, old medicine bottles on display). With a full programme of events – live music on the last Saturday of every month – ‘themed’ food nights (have had Spanish, Greek, Italian in the past, the next one is Moroccan) it's not hard to see why this is a busy place.

The pub is proud to be dog friendly – which is something loved by villagers who regularly bring dogs in on leads. There is a big games room located off the main bar – which has a pool table and darts board (there is another darts board in the main bar area) and a skittle alley in the beer garden that is really well used by the two skittle teams at the pub.

This pub has a lovely homely feeling - if you want a pub that will welcome you and you will be the heart of the community then this is the pub for you.

The community

Farndon is home of the Newark Crusader boat trips, which according to their website: 'The Newark Crusader has been operating since the 1990's and has been a popular cruise boat for elderly, disabled and disadvantaged people from all across the East Midlands. This 60ft boat has been recently updated and renovated to be ready for further trips along the River Trent'. It takes two trips on the River Trent in the summer – about a 2 hour ride.
